

Comité de jumelage de Bouaye

Bouaye, 26th May 2016

Dear Maureen, Alice and Suzanne

We spent a very pleasant stay in Hornsea and the Bouaye twinning committee would like to thank you for the warm welcome that the twinning Association and the inhabitants of Hornsea reserved us.

We know how much organisation was required to accomodate and make your town known for so many people.

We also thank you for the success of the activities and events proposed : the concert, the visits (schools, cities and monuments), the tree planting, the barbecue, the reception dinner and the evening at the Golf Club were particularly appreciated.

Last but not least, every member of the French delegation would like to thank each host family for its kindness and for the nice time spent.

We look forward to seeing you in Bouaye. We will give you more information about the date later.

Best wishes.

Alain
